

Name _____

Glacial Action

Sometimes we miss important clues in our own back yard...

Do you believe that glaciers once covered the area where you live? How would you convince a skeptical neighbor? List some evidence in your community that shows that glaciers were once there:

Define these terms.

Horn _____

Arête _____

U-Shaped Valley _____

Esker _____

Moraine _____

Kettle Lake _____

Park _____

Lights, camera

Make a flip chart movie of glacial action using the six frames on the next page.
